Education

UX Design and Front End Development Certification

CareerFoundry | Remote
Nov 2022 - Nov 2023

Baking and Pastry A.O.S.

The Culinary Institute of America
California | Sep 2020 - April 2022

Projects

Ripple *UX/UI Design*

- Applied user centered design and mobile first approach to design a responsive web app for tracking symptoms, activities, documents and appointments.
- Utilized user interviews and user testing to define user needs. Established user personas, user journey maps and sitemaps.
- Designed 39 high fidelity screens and accompanying style guide with focus on accessibility design.

Portfolio Site *Front End Development*

- Implemented mobile first and responsive design styles
- Learned how to use Visual Studio Code, install and use linters.
- Learned HTML, CSS, JS basics and principals of software craftsmanship
- Took the opportunity to continue learning to code by expanding portfolio content.

Work Experience

Wholesale Baker & Market Station

Bakersfield Flour and Bread | Minneapolis, MN | April 2023 - Present

- Successfully learning new technology and implementing different techniques related to stone milled flour & artisanal baking
- Streamlined market process to save time and create an organized hand-off process

Pastry Chef

Patisserie 46 | Minneapolis, MN | April 2022 - April 2023

- Worked to create seasonally inspired recipe in the image of haute cuisine and chef expectations
- Observed and modified recipes to reduce waste, increase yield percent, and reduce labor.

Concierge

Spice Island Marketplace | St. Helena, CA | January 2022- April 2022

- Guiding historical tours, providing information and contacting staff on behalf of visitors for appointments and questions
- Assisting in Spice Islands Marketplace to answer customer questions, restock and organize items, and use register to process transactions and returns
